

TERMS & CONDITIONS

Dear Exhibitor,

Congratulations and thank you for your participation at the Sydney Royal.

As the Chief Executive of the Royal Agricultural Society of NSW (RAS), I hereby grant you permission to use the artwork for your winning product, subject to the following conditions:-

1. You must only use the artwork on a product that won the Medal and therefore you cannot use it on other products. For example: you must only use the Gold Medal logo on the product that won Gold.
2. You will note that the logo states the year of the competition that your product won. This information must be clear on the winning product and should not be removed from the logo.
3. You must not change the design, shape, colour or wording on the logo or do anything to the logo that may be misleading to the public (Please see the Style Guide for specifications).
4. The logo can be used for the life of the winning product providing that the ingredients and method of productions of your product remains the same to ensure that the taste (where appropriate) and the quality of the product remains the same as the day that it won the competition.

Protecting the integrity of the Sydney Royal competitions is of great importance to the RAS. Therefore the RAS reserves the right to disqualify, ban from future competitions, take legal action against or report to the relevant authorities any exhibitor who is in breach of these conditions.

For further information please see the RAS General Regulations extract 189 regarding Intellectual Property listed on the RAS of NSW website: www.rasnsw.com.au
